

How to Order Your USA Scorebook

Official scorebooks are required for entry to all USA Sanctioned Schutzhund Trials. Foreign issued scorebooks are acceptable only after they have been registered and stamped by USA. One scorebook is required for each dog and the scorebook must be transferred with the dog when and if the dog obtains a new owner. To receive a USA Scorebook one must make application to the USA Office and include the following:

1. A photocopy of your current USA Membership Card.
2. Photocopy of the dog's registration papers. Registration is not required to obtain a scorebook, however the breed, name, sex, and date of birth of the dog must be identified.
3. A photocopy of the dog's OFA Certificate, if the dog is hip-certified by that organization. Hip-certification is not required to obtain a scorebook.
4. Indicate the dog's tattoo number if the dog is tattooed.
5. If the dog has already achieved a schutzhund rating (including FH, AD, IP, B, etc.) under a VDH recognized Schutzhund Judge, send proof of attainment of each title with application. The scorebook issued by USA will be stamped to indicate the titles already obtained and that proof of their attainment is on file with USA. (If the dog already has a scorebook issued by another organization, USA will not issue another scorebook. Please see below for USA certification of foreign scorebooks.)
6. Applicants should send all the above listed information and a check for \$10.00 made payable to the United Schutzhund Clubs of America, to the USA Office. Applications from foreign applicants must make payments in U.S. funds. Upon receipt of application, fee and complete information, you will be sent a numbered scorebook which is USA registered. If this scorebook is lost or destroyed, it may be replaced upon notification made in writing to the USA Office and a \$12.50 replacement fee.

USA CERTIFICATION OF FOREIGN SCOREBOOKS

Scorebooks issued by other clubs, SV, DVG, ADRK, etc. with the exception of scorebooks issued by the German Shepherd Dog Club of America, WDA, can be USA-certified by sending the original scorebook, a copy of the dog's registration papers, OFA certification if applicable and a copy of your current membership card to the USA Office. The fee of \$5 per scorebook to be certified for current USA members must be included. Any Non-USA member who wishes to have their eligible Non-USA scorebooks certified by USA, must pay a non-member fee of \$15 plus the cost of certification, which is \$5 at this time.

NOTE If the dog is registered, a photocopy of the registration papers must be included. If a copy of the registration papers are not submitted, the scorebook will be issued as if the dog were a **mixed breed**. UKC is not a recognized registration.
NOTICE: To obtain a USA Scorebook you must provide proof of USA membership. (*General Board, 1999*)
